Complaints and concerns process for students

Garfield Primary School acknowledges that issues or concerns can cause stress or worry for students and impact their wellbeing and learning. Garfield Primary School encourages our students to raise issues or concerns as they arise so that we can work together to resolve them.

Students with a concern or complaint can raise them with a trusted adult at school, for example, with their Classroom Teacher, our Administration staff, other Teachers, Education Support staff or the Principal. These people will take all students' concern or complaint seriously and will explain to them what steps we can take to try to resolve the issue and support them.

Students can also ask a parent, carer or another trusted adult outside of the school, to talk to us about the issue instead. Information about our parent/carer complaints and concerns process is outlined further below. The parent/carer process also applies to students who are mature minors, refer to: [Mature Minors and Decision Making](#).

Other ways you can raise a concern or complaint with us include:

- talking to a student leader about their concern and any suggestions they have for resolving it
- participating in our Attitudes to School Survey (for Grades 4-6)

Complaints policy

Raising a concern

Garfield Primary School is always happy to discuss with parents/carers and community members any concerns that they may have. Concerns in the first instance should be directed to your child's Classroom Teacher, unless the concern relates to the conduct of a staff member, in which case the concern should be directed to the Principal.

Where possible, school staff will work with you to ensure that your concerns are appropriately addressed.

Making a complaint

Where concerns cannot be resolved in this way, parents or community members may wish to make a formal complaint to the Principal.

If you would like to make a formal complaint, in most cases, depending on the nature of the complaint raised, our school will first seek to understand the issues and will then convene a resolution meeting with the aim of resolving the complaint together. The following process will apply:

- 1. Complaint received:** Please direct an email to the Principal through the school email address: Garfield.ps@education.vic.gov.au outlining your complaint so that the Principal can fully understand what the issues are. The Principal will then call you directly to acknowledge the receipt of your complaint and potentially ask for any further information required. The Principal may request a meeting in person to seek to better understand your complaint.
- 2. Information gathering:** Depending on the issues raised in the complaint, the Principal may need to gather further information to properly understand the situation. This process may also involve speaking to others to obtain details about the situation or the concerns raised.
- 3. Response:** Where possible, a resolution meeting will be arranged with the Principal to discuss the complaint with the objective of reaching a resolution satisfactory to all parties. If after the resolution meeting we are unable to resolve the complaint together, we will work with you to produce a written summary of the complaint in the event you would like to take further action about it. In some circumstances, the Principal may determine that a resolution meeting would not be appropriate. In this situation, a response to the complaint will be provided in writing.
- 4. Timelines:** Garfield Primary School will acknowledge receipt of your complaint as soon as possible, generally within 2 days, and will seek to resolve complaints in a timely manner. Depending on the complexity of the complaint, Garfield Primary School may need some time to gather enough information to fully understand the circumstances of your complaint. We will endeavour to complete any necessary information gathering and hold a resolution meeting where appropriate within 14 working days of the complaint being raised. In situations where further time is required, Garfield Primary School will consult with you and discuss any interim solutions to the dispute that can be put in place.

Please note that unreasonable conduct (e.g. vexatious complaints) may need to be managed differently to the procedures in this policy.

Resolution

Where appropriate, Garfield Primary School may seek to resolve a complaint by:

- an apology or expression of regret
- a change of decision
- a change of policy, procedure or practice
- offering the opportunity for student counselling or other support
- other actions consistent with school values that are intended to support the student, parent and school relationship, engagement, and participation in the school community.

In some circumstances, Garfield Primary School may also ask you to attend a meeting with an independent third party, or participate in a mediation with an accredited mediator to assist in the resolution of the dispute.

Escalation

If you are not satisfied that your complaint has been resolved by the school, or if your complaint is about the conduct of the Principal and you do not want to raise it directly with them, then the complaint should be referred to the Community Liaison Officer at the Department of Education and Training by contacting on 1300 338 738.

Garfield Primary School may also refer a complaint to the Community Liaison Officer if we believe that we have done all we can to address the complaint.
